- We awarded Nooksack Salmon Enhancement Association a \$77,700 EPA environmental education grant for the Students for Salmon Program with partners Bellingham Parks and Recreation, Whatcom Conservation District, Sound Experience aboard the Schooner Adventuress Western Washington University, Washington Department of Fish & Wildlife, Whatcom Community Foundation and local schools. The project leads 4th grade students through a multi-stage watershed education program with outdoors and classroom activities, to build students' understanding of healthy salmon habitat. The field trips are led by university interns provide students with the opportunity to conduct streamside restoration projects. <https://tinyurl.com/y4hc4tmd>
- Read all the latest news, events and information in this month's EPA Region 10 Tribal Newsletter! Highlights include a Seattle CyanoHAB Workshop Oct. 16-18, Alaska Tribal Conference on Environmental Management Nov. 19-22, Indian Environmental General Assistance Program IGAP grant workshop Dec. 10-12, Air Quality in Alaska Communities training Dec. 3-6 and Alaska Hazard Mitigation Grants. Download the free newsletter at: <https://www.epa.gov/tribal/region-10-tribal-newsletter>
- Save the date! We're hosting an Indian Environmental General Assistance Program IGAP grant workshop on Dec. 10-12, in Anchorage, for tribes and tribal consortia focused on developing mentorships, long-term planning, developing FY 2021 IGAP workplans and budgets, and encouraging collaborative solutions and best practices. Save the date! Registration info coming soon. Contact Santina Gay gay.santina@epa.gov. <https://www.epa.gov/tribal/region-10-tribal-newsletter>
- Read the latest news and events in this month's EPA Region 10 Tribal Newsletter! Highlights include the Alaska Tribal Conference on Environmental Management Nov. 19-22, online EPA Grants Management Training for Applicants and Recipients, and an Indian Environmental General

Assistance Program IGAP grant workshop Dec. 10-12. Download the free newsletter at:

Hotbed of Resistance: A Voice From Inside Trump's EPA

Regulatory rollbacks are just one small part of the Trump administration's efforts to limit the effectiveness of the Environmental Protection Agency, but there's a whole lot more, says a career agency staffer.
